Proof of current insurance must be submitted to the Superintendent of Community Facilities prior to execution of the Agreement by the City.

- B. Allow the City Manager or his designee to supervise its access to and use of Theatre equipment during contracted rental times, including light equipment, sound equipment, curtains, and intercom systems. The RESCO will receive the Large Dressing Room for storage and the upstage area from the mid-curtain during its production contract. - H. Provide two to four ushers for all performances. The ushers work with the City House Manager at each performance.
- I. Every season, participate as requested or available in up to two City of Rockville community giveback events, such as performances at City events, as well as other "in-kind" contributions agreed upon by the City, Theatre, and RESCO. - J. Attend three annual all-RESCO meetings with Theatre staff to discuss mutual topics, such as marketing and advertising, Theatre operations, ticket sales, etc.

- S. Indemnify and save harmless the Mayor and Council and its appointed officials, employees, and volunteers, and all others working on behalf of the Mayor and Council from all suits, actions, damages and costs, of every name and description to which the City may be subjected or put by reason of injury, accident, theft, or damage to persons or property as a result of the RESCO's use or operation of City property or facilities under this Agreement, whether caused by negligence or carelessness on the part of the RESCO, its servants, agents, employees, assignees or invitees, or other cause. Claims that are brought against the Mayor and Council are subject to the limits of the City's scope of insurance coverage and subject to the limitations and immunities provided by law, including but not limited to the Local Government Tort Claims Act, Section 5-303(a), Courts & Judicial Proceedings Article, Annotated Code of Maryland. The provisions in this Agreement regarding indemnity and insurance shall survive the expiration of this Agreement.

Waive any claims of liability against the Mayor and Council for loss or reimbursement due to cancellation or termination of a scheduled event due to force majeure, act of God, or inclement weather. If the Theatre and Social Hall adjusts or cancels a contract and/or addendum for any unforeseen reason, the contract and addendums will be reviewed and may include an amendment for a change of date or consideration of a partial or full refund, in addition to evaluating if the required minimum number of contracted hours for the impacted production should be reduced to remove the cancelled contract dates and/or times, which shall not be unreasonably withheld.
- W. Follow all the regulations outlined in the F. Scott Fitzgerald Theatre and Social Hall Information Packet, which is attached to the RESCO's contract and/or addendum, unless the regulation contradicts the terms and conditions outlined in this Agreement.

IV. City Responsibilities

- E. Offer rental of City box truck for transportation of set pieces and production equipment in the Rockville Civic Center storage building to the Theatre during their contracted production load-in and strike rental hours. If the City requires a RESCO to completely strike the Theatre stage and dressing rooms during a contracted production, the City will assist the RESCO with the load-out and load-in through use of the Civic Center's box truck and one Theatre Technician Specialist to serve as driver at no additional fee. This term and condition does not apply to Theatre stage and dressing room half-strikes that are a standard policy and practice in the RESCOs' production contracts.
- F. Promote the RESCO performances through the City's online ticketing system and various marketing and advertising tools. In conjunction with the City's ticketing service provider, the City's Box Office will provide sales and marketing support for RESCO contracted productions, including placement on the City of Rockville and Theatre websites, social media accounts, and e-mail promotion to the Theatre's patron database. Additionally, the City will include RESCO contracted productions in F. Scott Fitzgerald Theatre marketing initiatives, including local publications and events calendars. The RESCO must meet City deadlines in order to be included in marketing and advertising support. At its discretion, the City reserves the right to reevaluate and revise its marketing and advertising offerings at any point in time.

V. City and RESCO Financial Responsibilities

The RESCO contracts, addendums, and production close-out reports will reflect the following criteria:

- A. The RESCO agrees to pay all their production rental fees, equipment fees, extra labor fees, special package fees, overtime, and damages and loss.
- B. If a City outside agency grant for funding support is provided to the RESCO, then a grant agreement will be prepared by the City separately from the Agreement.
- C. A production close-out report will be provided to the RESCO at the close of each production within 30 business days from the last contracted date of each production. This report will include a patron list of individuals who purchased tickets, a breakdown of ticket sales by ticket type (including season ticket sales), Theatre per ticket fees, contract and addendum fees, and revenue owed to the RESCO and City.
- D. The RESCO pay for its production rental fees, equipment fees, extra labor fees, and special package fees from season and individual ticket sale revenue, rather than upfront. After each production, the City will either issue payment to the RESCO in the amount of the net ticket sale balance (which is after withholding Theatre per ticket fees, rental fees, equipment fees, extra labor fees, and special package fees) or issue a bill to the RESCO for any remaining balance owed to the City.
- E. If the City owes money to the RESCO, it shall be paid by check made out in the RESCO's name or through an Automated Clearing House ("ACH") electronic payment transfer.
- F. If the RESCO owes money to the City, it shall be paid by check made out to the City of Rockville and submitted to the Superintendent of Community Facilities for processing. Payment shall be

due within 30 business days from the date on the City-issued memo that is included within the RESCO's production close out report.

The City does not withhold a fee per donation or percentage from the donation amount.
- I. The RESCO will grant the Theatre Box Office and Marketing Manager full access to handle all ticket sales through third party or discounted ticketing companies:
 - a. The Box Office and Marketing Manager will work with the RESCO on each production to develop the ticket offer; discuss the timeline to ensure proper staff coverage for fulfillment; and establish the chain of command and communication for questions, cancellations, etc.
 - b. The RESCO is prohibited from selling and/or managing all ticket sales through third party or discounted ticketing companies. All aspects of this process must only be handled by the Box Office and Marketing Manager.

VI. Rescission of RESCO Status

- A. The Mayor and Council may rescind the RESCO's RESCO status and terminate this agreement at its discretion and without cause by giving the RESCO 60 days prior written notice.
- B. If the Mayor and Council rescinds an organization's RESCO status:
 - i. The City may terminate the Rockville Civic Center Park storage lease agreements.
 - ii. The City may cancel the RESCO's remaining productions at the Theatre.
 - iii. The City may cancel all season and individual ticket sales associated with the cancelled productions.
 - iv. The RESCO will not pay for the unused rental dates, equipment, extra labor, or special package for each contract and/or addendum date that is cancelled.

- viii. The City will use collected season ticket revenue to refund season ticket patrons for cancelled productions.

VII. Cancellations

If the cancellation request is denied, the Superintendent of Community Facilities will provide an explanation in writing to the RESCO, and the RESCO may ask that an appeal is submitted to the Director of Recreation and Parks. If the cancellation request is denied by the Director of Recreation and Parks, the RESCO may ask that an appeal be submitted to the City Manager's Office for review.
- B. If the cancellation request is approved:
 - i. The RESCO will not pay for the unused rental dates, equipment, extra labor, or special package for each contract and/or addendum date that is requested to be cancelled.
 - ii. The RESCO must reimburse the City for the Theatre per ticket fees the City paid to its ticketing service provider within 30 days of the cancellation. It is at the discretion of the Director of Recreation and Parks and/or City Manager's Office to uphold or reverse this requirement.
 - iii. The City will handle the ticket refunds with all customers for each cancelled season or performance date.
 - iv. The City will use collected season ticket revenue to refund season ticket patrons for cancelled productions.

Attachment B: Storage Lease Agreement

This Lease Agreement, made this _____ day of _____ 2025, ("**Effective Date**") by and between the Mayor And Council of Rockville, ("**the Mayor and Council**"), and the Resident Community Performing Arts Company called Victorian Lyric Opera Company, a non-profit Maryland corporation, ("**the RESCO**") (collectively referred to as "**the Parties**").

The Mayor and Council is the owner of a storage building, located at 850 Avery Lane, Rockville, Maryland, situated on the grounds of Rockville Civic Center Park, and primarily used by amateur resident theatre groups performing at the City's F. Scott Fitzgerald Theatre ("**the storage building**" or "**leased premises**").

The RESCO desires to lease a portion of the storage building, which it currently occupies, for use in connection with performances at the F. Scott Fitzgerald Theatre (the "**Theatre**").

The parties initially entered a lease agreement for use and enjoyment of the leased premises ("**Initial Lease**") from January 1, 2017 through June 30, 2022.

The parties now wish to extend the initial lease agreement.

NOW, THEREFORE, in consideration of the mutual promises and obligations contained herein, the parties hereto agree as follows:

- 1. Lease Area.** The RESCO shall have the right to utilize the storage units assigned to them by the City in the storage building, measured at 47 feet by 25 feet in size for Unit 1 and 576 square feet in size for Unit 2, designated as the leased premises, for use in building and storing stage sets and storing other material in connection with performances at the Theatre, and for such other purposes as may be approved by the Superintendent of Community Facilities in writing.
- 2. Lease Term.** The term of this lease agreement shall be for one (1) fiscal year, from July 1, 2025 through June 30, 2026, unless terminated earlier in accordance with the terms in this lease agreement. The parties may extend the term of this lease agreement under such terms and conditions as they may agree upon in writing. The RESCO shall notify the City at least ninety (90) days prior to June 30, 2026, if it desires to enter negotiations with the City to extend this lease agreement beyond its initial one (1) fiscal year term.
- 3. Rent.** The RESCO will pay rent in the amount of \$3,163 (\$2,204 for Unit 1 and \$959 for Unit 2) for the full term of the lease and payment is due on or before November 15, 2025.

4. **Utilities.** The City will pay for the following utilities serving the storage building: water, electricity, and gas.
5. **Maintenance Responsibilities to the City.** Base building maintenance and repairs by the City shall include electrical repairs to existing electrical panels and existing light fixtures; plumbing (collapsed pipe, snake to main drain, leaking fixtures, etc.); exterior of the storage building envelope (roof, roll-up doors, and main doors); gas heaters; windows; pest control within storage building; light bulb replacements; and stopped up sinks, toilets, and drains. City maintenance and repairs will not extend to the window A/C units. Once the window A/C units are deemed unrepairable or at end-of-life by the City, the equipment will be removed permanently from the storage unit and will not be replaced by the City.

Repair to any damages to drywall, flooring, infrastructure, building envelope (roof, roll-up doors, and main doors), windows, or window A/C units caused by RESCO members, employees, servants, agents, or contractors will be the maintenance responsibility, but not the financial responsibility, of the City. In the event the City conducts such repairs, it shall issue a written invoice to the RESCO. The RESCO must pay the full amount of the invoice within thirty (30) days of receipt of the invoice.

6. **Maintenance Responsibilities to the RESCO.** The RESCO shall maintain the leased storage building in a clean and safe condition and always maintain clear access to the storage building driveway, storage building entryways, and storage building electrical panels. The City shall provide the RESCO keys for access to the storage building. Requests for keys should be directed to the Superintendent of Community Facilities.

At the expiration of the lease agreement, the RESCO shall remove all materials from the storage building and return the leased premises to the City in the same condition as existed at the beginning of the initial lease agreement. The RESCO will be responsible for security of their storage building; custodial cleaning; and trash and recycling removal (the RESCO can use the City dumpsters and recycling bins).

The RESCO will be financially responsible for any repairs to damage, other than ordinary wear and tear, caused to the interior and exterior of the storage building by its members, employees, servants, agents, or contractors. Damages include but are not limited to drywall, flooring, infrastructure, building envelope (roof, roll-up doors, and main doors), windows, and window A/C units. An on-site walk through of the storage unit will be conducted with RESCO and City representatives to review and outline the damages and repairs, and an itemized invoice will be provided to the RESCO for payment to the City. The RESCO must pay the full amount of the invoice within thirty (30) days of receipt of the invoice.

7. **Improvements to Infrastructure and Building Envelope by the RESCO.** Any improvement (additional outlets, new light fixtures, tiled floor, etc.) or new maintenance items to the RESCO's leased storage building is the responsibility of the RESCO. All proposals, specifications, and solicitations must be submitted to the Superintendent of Community Facilities and the City Facilities Property Manager for review and approval before any servants, agents, and/or contractors access City property or work commences.

- 8. Indemnification and Hold Harmless.** The RESCO shall indemnify the City, and all its employees, agents, representatives, and assigns, and shall save them harmless from and against any and all claims, damages, liability, and expense, and/or damage to property arising from or out of any occurrence in, upon or at the leased premises or any part thereof or occasioned wholly or in part by any act or omission of the RESCO, its agents, servants, employees, assignees, or invitees. The RESCO waives all rights and claims against the City in connection with any and all such injuries or damages alleged to have arisen during the term of this lease agreement. This paragraph does not apply to damages resulting solely from the negligence of the City, its employees, agents, representatives, or assigns.
- 9. Liability.** The City shall not be liable for any accident, theft, or damage whatsoever caused to the property of the RESCO, its agents, servants, employees, assignees, and invitees, resulting from the use or operation of the leased premises by the RESCO, its agents, servants, employees, or invitees. All personal property of the RESCO, its agents, servants, employees, or invitees, stored or otherwise left in the leased premises shall be at its (their) sole risk. The City assumes no liability or responsibility whatsoever with the respect to the conduct and operation of the RESCO's business.
- 10. Insurance.** For the duration of the lease term, the RESCO at its sole cost and expense, shall obtain, furnish, and maintain in full force and effect a liability insurance policy to protect the City against any and all claims for personal and property injury, including death, with bodily injury limits. A certificate of insurance shall be provided to the City. The RESCO must submit its certificate of liability insurance to the Superintendent of Community Facilities and receive approval from the City's Department of Human Resources, Risk Management Division prior to execution of the lease agreement by the City.
- 11. Subleasing.** The RESCO shall not sublease any portion of the leased premises to any other individual or entity.
- 12. Termination for convenience.** This lease agreement may be terminated by either party prior to the expiration of the lease term upon written notice to the other party specifying the effective date of terminations at least ninety (90) days before said effective date. If this lease agreement is terminated pursuant to this paragraph, the City will refund to the RESCO a prorated amount of the annual rent for the period of time the storage building is not used.
- 13. Termination by City for cause.** If the RESCO breaches any of its obligations under this lease agreement, the City may terminate this Agreement for cause by sending written notice to the RESCO specifying the effective date of termination, at least thirty (30) days before said effective date. If the City terminates this lease agreement for cause pursuant to this paragraph, the RESCO shall not be entitled to any rent refund.
- 14. Changes to Agreement.** All changes to this lease agreement shall be made in writing and signed by both parties prior to taking effect.
- 15. Notification.** All notifications and other communications given pursuant to this lease agreement shall be given in writing by e-mail or delivered by certified mail, return receipt requested, postage prepaid, or by private delivery service with written acknowledgement of receipt thereof, to the parties at the following addresses or at such other addresses as may be

designated in writing by the parties listed below. The City may also post a copy of any notification or other communication to the RESCO at the leased premises. Such posting shall satisfy the notification requirements of this agreement, whether effective delivery of the notification is made by e-mail, mail, or private delivery service.
