

1. The subject property is served by City of Rockville public water and sewer.
2. This subdivision record plat is not intended to show every matter affecting the ownership and use, nor every matter restricting the ownership and use, of the subject property. The subdivision record plat is not intended to replace an examination of title or to depict or note all matter affecting title.
3. All terms, conditions, agreements, limitations, and requirements associated with any preliminary plan, site plan, project plan or other plan, allowing development of this property, approved by the City of Rockville are intended to survive and not be extinguished by the recordation of this plat, unless expressly contemplated by the plan as approved. The official public files for any such plan are maintained by the planning commission and available for public review during normal business hours.
4. This plat is a resubdivision of Lot 2, Block "A", City Center, as shown on Plat No. 11941.
5. This survey is in the Maryland Coordinate System [NAD83(2011), State Plane Coordinate System zone 1900 (MD), US Survey Feet] based on GPS observations processed by the National Geodetic Survey's Online Positioning User Service (OPUS Projects). Points measured include RCI control point 32002: North 519,335.825, East 1,268,848.866. The combined scale factor for the site is 0.99993981.
6. This plat will be subject to a City of Rockville Water Meter Easement to be created and recorded by separate documents among the Land Records of Montgomery County, Maryland following recordation of this plat.
7. This plat will be subject to a Public Access Easement to be created and recorded by separate documents among the Land Records of Montgomery County, Maryland following recordation of this plat.
8. This plat will be subject to a Stormwater Management Easement to be created and recorded by separate documents among the Land Records of Montgomery County, Maryland following recordation of this plat.
9. This plat will be subject to a Private Utility Easement to be created and recorded by separate documents among the Land Records of Montgomery County, Maryland following recordation of this plat.
10. This plat will be subject to a Forest Conservation Easement to be created and recorded by separate documents among the Land Records of Montgomery County, Maryland following recordation of this plat.
