2024 CROSS COUNTRY HEAD COACH

We understand the regular season was tough, but you never gave up. You pulled everything together to win both the Regional Meet and the 3A State Meet, finishing 20 points ahead of your strong competitors. Not only that, but you also delivered the best team performance of the day across all classes (1A, 2A, 3A, and 4A). Congratulations on an incredible season and your well-deserved State Championship!
