

WHEREAS the City of Rockville, Maryland, is committed to recognizing that our growth and strength depend on the safety and essential role our homes, buildings, and infrastructure play, both in everyday life and when disasters strike, and;

WHEREAS our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians, building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers, and others in the construction industry, who work year-round to ensure the safe construction of buildings, and;

WHEREAS these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal, and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, and play, and;

WHEREAS these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquakes, and;

WHEREAS Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety, our local code officials, who assure us of safe, sustainable, and affordable buildings that are essential to our prosperity, and;

WHEREAS "Built to Last," the theme for Building Safety Month 2026, highlights how modern building codes, safety professionals, and resilient construction practices protect homes and communities around the world, promoting the adoption of modern building codes, highlighting the work of building safety professionals, and;

WHEREAS each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience, and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus, and federal agencies in protecting lives and property.

NOW, THEREFORE, the Mayor and Council of Rockville, Maryland, do hereby proclaim the month of **May 2026** as **Building Safety Month** in the City of Rockville. We encourage our residents to join us as we participate in Building Safety Month activities.
