Public Works Department

Rockville MD 20850

Dear Mr. Kotov:

Thank you for submitting a Transportation Alternatives (TA) Program application for the North Stonestreet Avenue: Street and Sidewalk Improvements Project. The Maryland Department of Transportation State Highway Administration (MDOT SHA) appreciates your interest in the program.

The National Capital Region Transportation Planning Board (TPB) has informed MDOT SHA that the City of Rockville Public Works Department was awarded \$280,000 of TA Program funds for the North Stonestreet Avenue: Street and Sidewalk Improvements Project. This project will design improvements to Park Road and North Stonestreet Avenue, including sidewalks, street lighting, and landscaping.

The TA Program funds are administered by the MDOT SHA in conjunction with TPB and have federal and State requirements. I have asked Ms. Christy Bernal, MDOT SHA TA Program Manager, to follow up with you regarding the details to secure these funds. Ms. Bernal will contact you shortly to set up an initial kick-off meeting. Congratulations and thank you for your participation in this program. If you have any questions, please contact Ms. Bernal at 410-545-5659, toll-free 1-888-204-4828, or via email at cbernal@mdot.maryland.gov. Ms. Bernal will be happy to assist you.

Sincerely,

Gregory Slater
